

# ALL-IN-ONE BILLING PACKAGE!

Healthcare Provider Solutions, Inc. (HPS) has been at the forefront of providing home health agencies nationwide with the billing, financial, and clinical resources needed to realize their maximum potential. Our “All-In-One Billing Package” is your home health agency’s solution to achieving financial success at an incomparable rate.

In addition to basic billing and collection activities, the following additional services are key components of our “All-In-One Billing Package” that help differentiate us from our competition:

- Weekly Statistical Billing and Cash Flow Updates
- Monthly Accounts Receivable Reconciliation Reports
- Basic ICD-9 Coding Review of all Claims
- Quarterly Chart Reviews
- Quarterly Clinical Education In-Services

**HPS IS THE ANSWER TO ALL YOUR BILLING ISSUES! DON'T OUTSOURCE TO SEVERAL COMPANIES FOR YOUR HOME HEALTH CONSULTING NEEDS. CALL TODAY ABOUT OUR ALL-IN-ONE SERVICES AT 615.399.7499 OR EMAIL US AT INFO@HEALTHCAREPROVIDERSOLUTIONS.COM!**

## HPS Homecare Alliance

Healthcare Provider Solutions would like to introduce the *HPS Homecare Alliance* - A Membership-based Home Health Educational Resource.

We feel that the Alliance will add more depth and consistency to the educational services we provide and give agencies an option to receive concrete clinical and billing information that they need on a daily basis from one unprecedented source.

Three membership levels allow you to choose based on your agency needs! Practical Newsletters with Concrete Answers! No Tabloids! Access to First-Rate Consultants! Visit us at [www.healthcareprovidersolutions.com](http://www.healthcareprovidersolutions.com) today!!!

**The Bottom Line** - A Homecare Resource for Billing & Reimbursement

Bi-weekly newsletter to direct billing department staff members, as well as, management in the day to day reimbursement issues of the agency.

**The Clinical Focus** - A Homecare Clinical and Operational Resource

Bi-weekly newsletter to assist clinicians and administrative staff in the day-to-day operations of a home health agency.
